

Naturally Luxurious Shower Liquids boast richness and aromas to peak the senses.

WAVE sensation spa shower liquids have been formulated to provide a truly memorable shower experience. WAVE embodies the richest natural ingredients and exhilarating aromas to pamper your Guests and leave them feeling uniquely special.

Although WAVE liquids are undoubtedly improved quality over your present offering, they will cost much less because they are packaged in the sensible bulk size to suit your property and provided through our world-leading Dispenser™ system.

WAVE sensation spa shower liquids. Higher quality. More convenient. Less costly.

Treat your Guests to superior quality shower amenities at a lower cost than your present small-bottle program. Everybody wins.
