Treat your Guests to superior quality shower amenities at a lower cost than your present small-bottle program. Everybody wins.

Available in convenient Gallon sizes for easy refilling of your guest room shower dispensers. Save the environmental waste and cost of the little throw away bottles but not compromising on quality.

Customized labeling with your purchase at no charge.

Phillip Adam products are also available in retail sizes for your gift shop. Your guests can continue their holiday experience at home and share with their family and friends.

No matter the color of your Dispensers, they're **GREEN™**
