PROFESSIONAL APPLICATION

We do it for you! Every Dispenser that we ship from our warehouse comes complete with professionally applied labels. Whether you choose one of our stock labels, or create your own.

QUALITY PRINTING

Our labels are printed on durable, waterproof substrate that will stand the test of time. They routinely last for years with regular cleaning by housekeeping using a damp cloth.

REPLACEMENT LABELS

There is no need to replace a whole unit when its time for a refresh. If you do find after time your labels need replacing due to changes in your amenity selection, updates to your décor or damage, we offer replacement faceplates or labels at a nominal cost.
